Financial Aid Application Process

Thank you for your interest in applying to the St. Andrew’s Financial Aid Program. Please read the ‘St. Andrew’s Financial Aid Program’ document that contains important policy and procedure information. Financial aid applications received after the deadlines are considered on a case-by-case basis, if additional funding is available.

Steps to Apply for Financial Aid

Step 1: Submit Parents’ Financial Statement (PFS) to the NAIS SSS portal (http://sssbynais.org/parents/)
Code for St. Andrew’s: 6270
Due: February 1, 2020
Note: If you own your own business, you must complete the Business/Farm Statement.

Step 2: Upload your 2019 W-2 forms and your 2019 tax return including all attachments and schedules to the NAIS SSS portal. If your 2019 tax return is not available by February 15, submit your tax return from the previous year.
Due: February 15, 2020

Step 3: If you did not upload your 2019 taxes in Step 2, they must be submitted by April 15, 2020. Alternatively, if you filed an IRS extension for your 2019 taxes, upload the extension.
Due: April 15, 2020

Prospective Families: Families applying for admission to the 2020-2021 school year should note that although admission and financial aid processes follow similar timelines, admission decisions are made independently of financial need. Financial Aid decisions will be posted to the on-line contract on March 6, 2020, the same day that admission decisions are announced.

Current SAS families: SAS families with students enrolled during the 2019-2020 school year must reapply for financial aid yearly. Please use your existing account with NAIS so that the data aggregates from year to year. Assuming that your account is current, that your student is in good academic and behavioral standing, and that there are no major changes to your financial profile, returning families generally receive a similar percentage award as the previous year. Current SAS families should sign the re-enrollment contract in February and the Financial Aid Committee will send an addendum in late March/early April confirming your award.
